The Danny's Day Foundation awarded the Providence Center, a nonprofit organization that serves adults with developmental disabilities, \$5,700 in grant funds for the purchase of two SMART boards for its program sites.

The grant was awarded at a St. Patrick's Day-themed dinner banquet held March 10 at the DoubleTree Hotel in Annapolis for Providence Center participants, caregivers and staff. The banquet featured a dinner buffet, disc jockey, dancing, an ice carving demonstration and cookie decorating.

The Foundation was named for Daniel Patrick Ernst, a Pasadena resident who passed away in February 2011. Ernst had a connection with Providence Center in that he had worked at one point at a local restaurant with a Providence Center participant whom Ernst befriended.
